About Conference

United Scientific Group warmly welcomes you to join us in “Staging the Imminent Materials Revolution” on the global platform, namely “**2nd International Conference on Materials Science & Engineering (Mat Science 2020)**” at San Francisco, CA, USA. Mat Science 2020 aims to converge the breakthrough developments from the fields of chemistry, physics, materials science and engineering to address genuine technology needs, while also considering the translational path from bench to bedside. Mat Science is an ideal setting for this endeavor.

For 3 days, scientists, industrialists, and students with different backgrounds and expertise convene to synergistically advance the field of materials science by presenting their latest research, attending stimulating workshops and symposia and having lively discussions during breaks and social events. We are confident that Mat Science will encourage these activities in the best possible manner.

Mat Science provides a dynamic environment for innovative science and technological applications. San Francisco, besides being home to excellent research groups in the fields of Materials Science, Engineering, and big data, numerous multinational companies, are in a close proximity.

The conference will be held at DoubleTree by Hilton San Francisco Airport Hotel, one of the finest hotels in the city with excellent facilities for exhibitions, receptions, lectures and informal meetings. We invite you to submit abstracts and join us for this enlightening conference. We especially encourage students and young scientists to participate and contribute to what we hope will be a highly fruitful meeting. Mat Science will usher in a dazzling future for Materials Science, an interactive program, and in fulfilling our main Initiative.

We look forward to welcoming you to San Francisco, CA, USA!

Join us at San Francisco

About the Organizer

United Scientific Group (USG) is an expert-driven initiative with a vision to:

- Identify and bridge gaps in knowledge by creating and implementing new scientific and technology-specific platforms, forums and products to discuss bottleneck issues and incorporate recent research advances.
- Publish and promulgate innovative research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.
- Partner business and science for the translation of scientific discoveries and innovative ideas into implementable solutions and products which benefit mankind. The USG team is committed to work together to create network which delivers the best scientific solutions and contributes top services to the scientific community.

Concept

The purpose of Mat Science 2020 Conference is to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered, and the solutions adopted in the field of Materials Science.

Agenda

The conference is a unique opportunity to present your latest research, hear to valuable intelligence and information. This is place where world leaders come to talk and listen.

Networking

Unique networking opportunity across worldwide where the world's leading renewable CEOs, business heads, decision, and policy makers, choose to present their latest innovations.

Scientific Sessions

- ◆ Materials Science and Engineering
- ◆ Nanotechnology and Nanomaterials
- ◆ Biomaterials and Healthcare
- ◆ Ceramics, Glasses, Polymers and Composites
- ◆ Graphene, Semiconductors and Carbon Nanotubes
- ◆ Physics and Chemistry of Materials
- ◆ Smart and Structural Materials
- ◆ Electronic and Magnetic Materials, Optics and Photonics
- ◆ Mechanics of Materials, Characterization Techniques and Equipments

Dates to Remember

Conference Dates: **April 27-29, 2020**
 Abstract Submission First Round Ends: **August 15, 2019**
 Abstract Submission Final Round Ends: **February 06, 2020**
 Early Bird Registrations: **August 29, 2019**
 Mid Term Registrations: **October 23, 2019**
 Registration Closes: **April 27, 2020**

Group Discounts

Groups of three or more will receive a Special discount by using the group code. If you have any queries please contact us at
